

Shepherd Tri-Township Fire Department INACTIVE DUTY

Procedure:

Inactive duty is in reference to personnel who are under the care of a physician for medical reasons and/or minor injuries that may put limitations on their abilities as a Firefighter. Personnel will be on inactive duty when it has been communicated by the Firefighter or by the physician to the Chief and/or his designee as to the individual's condition. Personnel on inactive duty, under no conditions, shall report to an incident. All officers will be informed of staff that is considered to be on inactive duty and their conditions. Firefighters who are on inactive duty are encouraged to participate in other department activities such as normal drills if their condition will allow.

Procedure Overview/Purpose:

The purpose of this procedure is to ensure that all responders on an emergency scene are able to perform any task asked or expected of them as Firefighters.
