

Shepherd Tri-Township Fire Department STATION MOVEUP'S / COVER ASSIGNMENTS

Procedure:

Firefighters who are requested to cover another station will respond to their assigned station. The highest ranking officer or senior firefighter will make a determination as to what apparatus and manpower from their station will be sent to the cover up station. When the cover up assignment has been made, the incident commander of the originating incident will be notified by the cover up crew.

CODES:

CODE 1 – Manpower and equipment to the scene.

CODE 2 – Manpower and equipment to Station 1

CODE 3 – Stand by at your own station

Procedure Overview/Purpose:

When manpower and equipment are depleted from one or more stations for an extended period of time, an attempt will be made to centrally locate unassigned equipment and manpower. The department hopes to reduce response times and provide adequate fire service for the citizens of our fire area by centrally locating available apparatus and manpower
